November 3, 2026

Dear SEAN RUSINKO,

The Nevada Division of Social Services (DSS) has taken an action on your case. Please review the information below. The DSS Customer Service Unit (CSU) and Automated Voice Response Unit (VRU) are available to answer questions regarding your SNAP, TANF, Medicaid, Nevada Check-Up or Child Support Case. The CSU/VRU can be accessed by calling the appropriate number listed above. You will need your Personal Identification Number (PIN) and Case ID before calling the CSU/VRU systems. If you do not know your PIN and/or Case ID, you may contact your local DSS District Office to obtain this information.

You may submit applications, redeterminations, changes and most communications electronically through your Access Nevada account. Electronic notifications, such as email and text messaging, are an option from DSS, for households with a verified email account. DSS sends reminders whenever there are To Do's or Messages in your Access Nevada account. These can be viewed by signing in to your Access Nevada account and selecting an item from either list. You may also choose to sign up for paperless communication to reduce the amount of mail you receive from DSS. You will need your PIN to use these features.

If you have medical bills for the time you were not covered by Medicaid, please contact your provider to coordinate the reimbursement of Medicaid covered services. You can now download the NVMedicaid app for instant access to your health information, including your chosen Managed Care Organization, claims and procedures, your Nevada Medicaid ID card, and any broadcast messages from Medicaid. The app also allows you to find providers in your plan network. Look for the app in your App Store or online at https://mdp.medicaid.nv.gov/. You must be 18 years or older to use the app. For more information, please visit: https://dhcfp.nv.gov/Resources/MDPResource/.

If you are seeking assistance with child support services, you can print and complete the child support application located on the DSS child support homepage at https://dss.nv.gov/Support/1_0_0-Support/. Submit your completed application to the appropriate child support office in your area. Northern and Southern Nevada office locations can be found on the child support homepage by selecting "locate child support offices" and selecting the appropriate region.

Supplemental Nutrition Assistance Program (SNAP) - NEW or
Current Certification Period November 1, 2026 - October 31, 2026

November 2026 Application Received Date : October 08, 2026

Name	Status	Comments (See Case Information)
SEAN RUSINKO	Not Eligible	Not a Nevada Resident

Case Information

Supplemental Nutrition Assistance Program (SNAP)

Not a Nevada Resident
The household does not live in Nevada.

Important Notice

SNAP households are eligible to receive USDA commodity food. USDA food is distributed in the months of January, March, May, July, September and November. A schedule of the dates and locations are available at any local office or by calling (800) 992-0900. To prove you are eligible for USDA food, take your SNAP approval notice to the nearest distribution center. If you are not receiving SNAP benefits you may still qualify for USDA food by providing proof of your household's income.

You did not provide the requested information by the due date.

New Requirements to Keep Your Medicaid

SEAN RUSINKO

What is changing? Federal law now requires some adults to work, go to school, or volunteer 80 hours per month to keep their Medicaid.

Who does this effect? Adults ages 19-64, with some exceptions. The people listed above may be impacted.

When do I need to act? Confirm your renewal date and update your contact information with Medicaid now. You may be asked for more information with your next Medicaid renewal packet in 2027.

New federal rules may impact your Nevada Medicaid coverage starting next year. Some people will need to show they work, volunteer, or go to school to keep their health coverage. Adults ages 19 to 64 may be affected by these requirements. Some adults will also need to renew their Medicaid every six months.

This notice explains:

- Who does not have to meet the Medicaid work requirements
- Who may qualify for a temporary exception
- How to meet the work requirements if they apply to you

WHO MAY NOT HAVE TO MEET WORK REQUIREMENTS?

You MAY NOT have to prove that you work, go to school, or volunteer to keep your Medicaid coverage.

If anything on the list below describes you, you are considered a “Specified Excluded Individual” and do not need to meet the new requirements:

- You are a parent, guardian or family caregiver of a child under age 14
- You are a parent, guardian or family caregiver of someone with a disability who needs help with daily activities (like bathing, dressing, or daily chores)
- You are pregnant or gave birth in the past 12 months
- You left foster care at age 18 and are now under age 26
- You are a veteran with a total disability
- You are American Indian or Alaska Native
- You are currently incarcerated
- You already meet work requirements for SNAP (food assistance) or TANF (NEON) (cash assistance)
- You are receiving treatment for a drug or alcohol use disorder
- You have a serious physical health condition, mental health condition, substance use disorder, or disability that prevents you from working, volunteering, or going to school

If any of the situations above apply to you, you do not need to meet the new requirements to keep your Medicaid coverage.

If none of the situations above apply to you, and you receive Medicaid as an adult age 19 through 64, you **are considered an “Applicable Individual” and may need to meet work requirements.**

OTHER REASONS YOU MAY NOT HAVE TO MEET WORK REQUIREMENTS:

Applicable Individuals may not have to meet work requirements if any of the following applied to you during the month before your Medicaid application, or during at least one month since your last Medicaid renewal.

- You were under age 19
- You were entitled to or enrolled in Medicare

- You qualified for the incarceration exception because you were in jail or prison at any time during the three months before the month being reviewed.
- You met specified excluded status in one month of your lookback period
- You are experiencing a temporary hardship (see below)

TEMPORARY HARDSHIPS
You may qualify for a temporary exception to the work requirements. In some cases, you may need to tell us about your hardship so we can determine if you qualify.

- You are staying in a hospital, nursing facility, or psychiatric hospital
- You must travel outside your community to receive medical care for yourself or a dependent

Nevada will automatically apply the following temporary hardships based on where you live, if they apply to you. Please keep your address up to date and report any address changes as soon as possible.

- You live in an area affected by a federally declared disaster or emergency.
- You live in an area with high unemployment.

HOW TO MEET WORK REQUIREMENTS

If you do not qualify for any of the situations listed above, you may need to meet the new requirements to keep your Medicaid during your next renewal in 2027.

You can meet the new requirements by completing one or more "Qualifying Activities":

- Working at least 80 hours per month
- Volunteering at least 80 hours per month
- Participating in a work program for at least 80 hours per month
- Attending school at least half time
- Having total income of at least $580 per month

To keep your Medicaid, you must show that you met these requirements during at least one month of the review period before your renewal. For a full list of ways to meet these requirements, visit: www.nevadamedicaid.nv.gov/WorkRequirements/

WHAT YOU NEED TO DO

No action is needed from you at this time. When it's time to renew your Medicaid in 2027, Nevada Medicaid will review available information to determine whether you:

- Do not have to meet the work requirements
- Met the work requirements through work, school, volunteering, or income during your review period

If we cannot confirm this information using available records, we will send you a renewal form requesting additional information. You will have 30 days to respond.

If you do not respond, or the information you provided does not show that you qualify to keep coverage, your Medicaid may end.

IF YOU LOSE COVERAGE

If your Medicaid coverage ends, we will send you a notice explaining why. You have the right to appeal against our decision. You must continue to report changes in your circumstances and follow all other Medicaid reporting rules.

Important note: If you lose Medicaid coverage for non-compliance, you may not be eligible to receive reduced premium assistance on health care coverage through Nevada Health Link.

HOW TO PREPARE

As a reminder, you do not need to do anything to show you are compliant or exempt at this time. Please prepare for these changes by taking these steps:

- Make sure your mailing address, phone number, and email address are up to date.
- Confirm the date of your next renewal in 2027, when these new rules apply.
- Find work, school, and volunteer opportunities on our website: www.nevadamedicaid.nv.gov/WorkRequirements/

CONTACT INFORMATION

We are here to help you stay covered.

If you want to find out more about if work requirements apply to you, **visit** www.nevadamedicaid.nv.gov/WorkRequirements/ or **call your Managed Care Organization** (Anthem, CareSource, Health Plan of Nevada, Molina, or SilverSummit).

For support with Nevada Medicaid Work Requirements, please contact the dedicated hotline at 702-631-3310 or 775-824-7410.

If you have specific questions about your Medicaid eligibility, you can reach out to the Division of Social Services team below:

Email: welfare@dss.nv.gov

Phone: Southern Nevada (702) 486-1646; Northern Nevada (775) 684-7200; Toll Free (800) 992-0900

Mail: P.O. Box 15400, Las Vegas, NV 89114

In-Person: Visit your local DSS office. Find locations at: https://www.dss.nv.gov/Contact/

Online: Access or view your account online at https://accessnevada.nv.gov/

Notice For: SEAN RUSINKO
Case ID: 403373400 Date: **Nov 3, 2026**

HEARINGS

You can ask for a fair hearing if you do not agree with what we have told you in this notice.
A hearing will give you a chance to explain why you do not agree.

How do I ask for hearing?
If you want to have a hearing, you must ask for it in writing.
For SNAP benefits, you can ask for a hearing in person or by phone.

What is the deadline to ask for a hearing?
You have up to Feb 1, 2027 (90 days from the date on this notice) to ask for a hearing.

Where can I get help with my hearing?
If you need legal counsel and cannot afford it, these agencies may be able to help you.

Washoe County:	Nevada Legal Services 1-800-323-8666;
	Washoe County Senior Law Project (775) 328-2592.
Clark County:	Nevada Legal Services (Clark County): (702) 386-0404, toll free 1 (866) 432-0404;
Rural counties:	Nevada Legal Services Carson City: (775) 883-0404, toll free: 1-800-323-8666.

If you do not agree with the action taken you may request a conference or hearing within 90 days of the date of this notice. If you want a conference/hearing, check the appropriate box below and return this notice to your local welfare office.

I want: ☐ a conference ☐ a hearing ☒ conference and hearing

If a hearing request is received before this action's effective date or within 13 days of this notice date, whichever is later, or if you show good reason why it wasn't, you may have your benefits continued until the hearing decision is made, or if you are receiving SNAP benefits, until your certification ends, whichever happens first.

You may not have continued benefits if the only issue of the hearing is federal law / regulation.

☐ I do not want continuation of benefits but I still want a hearing.
☒ I want continuation of benefits.

If you lose, abandon or withdraw your appeal, your benefits will stop and benefits over issued must be repaid.

I disagree with this notice because:

I am a permanent resident of the State of Nevada, residing at 3955 University Center Drive, Apt 152, Las Vegas, NV 89119. The denial of my SNAP application on the basis of "Not a Nevada Resident" is incorrect.

I moved to this address on or about October 8, 2026, and have already submitted a Change of Address and Expense update on my Access Nevada account (Task/App ID #7762362). My roommate, Osiel Martinez Cruz, who is the primary utility account holder, also resides at this address and has authorized my tenancy and application.

I have attached copies of my Nevada residency proof (Access Nevada Case Change Summary showing "NV" address, roommate authorization, and the electric utility bill at this location). I request an immediate conference to show this proof and restore my SNAP benefits.
